My signature indicates that the information provided is true, I have read and understood the program guidelines, and that I comply with the City of Lino Lakes program requirements. I will allow a representative of the City of Lino Lakes to verify the installation if requested.

Signature: _____ Date: _____

ELIGIBILITY	GUIDELINES
<ul style="list-style-type: none"> Must be a resident of the City of Lino Lakes. Must be connected to City water. Must currently have a functional irrigation controller. Must have a smartphone (necessary to program and to operate the controller). Must have in-home Wi-Fi strength at your existing controller by making sure that your smartphone picks up at least two bars. Failure to have sufficient Wi-Fi at the controller location may result in compatibility or functionality issues with your controller. 	<ul style="list-style-type: none"> Installation and programming of your new controller is the responsibility of the property owner. Participants must provide the City with photos within 30 days of purchase of old and newly installed controllers to verify successful installation. If photos are not provided, full cost of controller will be assessed to homeowner's utility bill. Smart controllers will be distributed on a first come, first served basis and at the discretion of the City of Lino Lakes. The City reserves the right to refuse any application for any reason. Limit one controller per property address. If your controller is located outside, you will need to purchase an outdoor enclosure. The City is not responsible for providing an outdoor enclosure. The City is not responsible for sensor performance or water savings. No warranty or guarantee is provided by the City. The City has the right to discontinue or amend the program at any time. All applications must be completed and turned in at Lino Lakes City Hall.
